8 NO. 8 MINE,

CASE No.: 3:18-cv-00104-WGC

9 Plaintiff,

10 v.

ORDER
(Re: ECF Nos. 136 & 143)

11 THE ELJEN GROUP, LLC, *et al.*,

12 Defendants.

13 On February 21, 2020, the court entered an order (ECF No. 143) granting the Motion to
14 Compel (ECF No. 136) filed by the “Eljen Parties.” In addition to granting the discovery
15 productions sought by the Eljen Parties, the court indicated in its order that it appeared the Eljen
16 Parties should be awarded their attorney’s fees and costs incurred by reason of having to litigate
17 the discovery motion, citing Fed. R. Civ. P. 37(c) . (ECF No. 143 at 2, 3). The court, however,
18 held the award of attorney’s fees in abeyance until February 28, 2020, to allow No. 8 Mine/Tackett
19 to file any response to the proposed award of attorneys’ fees. To date, no response has been filed.

20 IT IS THEREFORE ORDERED that Plaintiffs No. 8 Mine and Tackett, collectively, shall
21 reimburse the Eljen Parties the sum of \$1,721.68 on or before close of business on March 31,
22 2020. Plaintiffs should be advised they run the risk of having their action against the Eljen Parties
23 dismissed if the award is not satisfied before the deadline the court has imposed.

24 DATED THIS 5th day of March, 2020.
